

COMMONWEALTH OF VIRGINIA

STANDARD CONTRACT

Contract Number: VTG-3268-2026

This contract entered into this 1st day of July 2026 by Leica Microsystems Inc. hereinafter called the "Contractor" and Commonwealth of Virginia, Virginia Polytechnic Institute and State University called "Virginia Tech."

WITNESSETH that the Contractor and Virginia Tech, in consideration of the mutual covenants, promises and agreements herein contained, agree as follows:

SCOPE OF CONTRACT: The Contractor shall provide specialized scientific equipment and instrumentation to Virginia Tech as set forth in the Contract Documents.

PERIOD OF CONTRACT: From July 1, 2026 through June 30, 2028 with the option for four (4) two-year renewals.

COMPENSATION AND METHOD OF PAYMENT: The Contractor shall be paid by Virginia Tech in accordance with the Contract Documents.

CONTRACT DOCUMENTS: The Contract Documents shall consist of this signed contract, the VHEPC Publicly Accessible Contract Agreement, Request for Proposal (RFP) number 952642606 dated April 10, 2026, together with Addendum Number 1 To RFP dated April 24, 2026, the proposal submitted by the Contractor dated May 11, 2026 and the negotiation summary, all of which Contract Documents are incorporated herein.

ELECTRONIC TRANSACTIONS: If this paragraph is initialed by both parties, to the fullest extent permitted by Code of Virginia, Title 59.1, Chapter 42.1, the parties do hereby expressly authorize and consent to the use of electronic signatures as an additional method of signing and/or initialing this contract and agree electronic signatures (for example, the delivery of a PDF copy of the signature of either party via facsimile or electronic mail or signing electronically by utilizing an electronic signature service) are the same as manual executed handwritten signatures for the purposes of validity, enforceability and admissibility.

**AGREEMENT
PUBLICLY ACCESSIBLE CONTRACT**

This Agreement executed this 1 day of July, 2026 by and between Virginia Polytechnic Institute and State University (“the University”) and Leica Microsystems Inc (“Supplier”).

TERM

The term of this Publicly Accessible Contract (“PAC”) shall remain in effect until the expiration or termination of the Primary Agreement.

WITNESS

WHEREAS, the University and Supplier have executed an agreement, VTG-3268-2026 dated July 1, 2026 (the “Primary Agreement”), and included in the Primary Agreement is a third party access / cooperative procurement clause. Now therefore, the University and Supplier agree to the specific terms that will allow third-party access to the Primary Agreement, and based on other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

- I. Supplier will:
 - A. Allow third parties to obtain goods and services from Supplier in accordance with the terms and pricing of the Primary Agreement (“Third-Party Access”).
 - B. Pay the Virginia Higher Education Procurement Consortium (“Consortium”) one percent (1%) of all revenue received by Supplier from non-Consortium entities through Third-Party Access (the “PAC Annual Fee”). The PAC Annual Fee will be paid in exchange for marketing services provided by the University and the Consortium described in Section II.
 - C. Fully support this marketing relationship by promoting the availability of the Third Party Access to non-Consortium entities; and
 - D. Provide quarterly reports detailing the amount of revenue received from non-Consortium entities through Third-Party Access.
- II. The University will ensure the Consortium:
 - A. Promotes the Primary Agreement and Third-Party Access on its website and through other channels (e.g., conferences) to non-Consortium members; and
 - B. Maintains a Supplier-approved version of the Supplier’s logo on the Consortium website.

III. Payment

- A. Supplier shall remit the PAC Annual Fee to the Consortium no later than August 31st of each year. The University and Consortium will share the payments equally and allocate payments to the appropriate accounts.

If the Primary Agreement expires or terminates before August 31st, Supplier shall remit the PAC Annual Fee no later than 45 calendar days from expiration or termination date of the Primary Agreement.

- B. Supplier shall remit the PAC Annual Fee by check in U.S. dollars. Checks will be made payable to the University of Virginia and sent to:

Procurement Office Manager
Procurement and Supplier Diversity Services
University of Virginia, Carruthers Hall
PO Box 400202
1001 N. Emmet Street
Charlottesville, VA 22904

Note 'PAC payment' on check.

IV. Notices

Any notice required or permitted to be given under this Agreement will be in writing and will be deemed duly given: (1) if delivered personally, when received; (2) if sent by recognized overnight courier service, on the date of the receipt provided by such courier service; (3) if sent by registered mail, postage prepaid, return receipt requested, on the date shown on the signed receipt; or (4) if sent by electronic mail, on the next business day of the receiver. All such notices will be addressed to a party at such party's address as shown below.

If to the University:

Reed Nagel, Director of Procurement
procurement@vt.edu
540-231-6221
300 Turner Street NW Suite 2100
Blacksburg, VA 24061

If to Supplier: **Leica Microsystems Inc**

Name: ATTN: Legal Department
Address: 10 Parkway North, STE 300
Deerfield, IL 60015
Email: leica.bids@leica-microsystems.com

Request for Proposal # 952642606

For

Specialized Scientific Equipment & Instrumentation

April 10, 2026

Note: This public body does not discriminate against faith-based organizations in accordance with the *Code of Virginia*, § 2.2-4343.1 or against a bidder or offeror because of race, religion, color, sex, sexual orientation, gender identity, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment.

RFP # 952642606, Specialized Scientific Equipment & Instrumentation

INCLUDE THIS PAGE WITH YOUR PROPOSAL, SIGNATURE AT SUBMISSION IS REQUIRED

DUE DATE: Proposals will be received until **May 11th, 2026 at 3:00 PM**. Failure to submit proposals to the correct location by the designated date and hour will result in disqualification.

INQUIRIES: All inquiries for information regarding this solicitation should be directed to Levi Henry, Phone: (540) 231-7852 e-mail: lhenry29@vt.edu. All inquiries will be answered in the form of an addendum. Inquiries must be submitted by 3:00 PM on April 24, 2026. Inquiries must be submitted to the procurement officer identified in this solicitation.

PROPOSAL SUBMISSION:

***Please note, proposal submission procedures have changed effective March 2023.**

Proposals may NOT be hand delivered to the Procurement Office.

Proposals should be submitted electronically through Virginia Tech's procurement portal. This portal allows you access to view business opportunities and submit bids and proposals to Virginia Tech digitally and securely.

Proposals must be submitted electronically at:

<https://bids.scquest.com/apps/Router/PublicEvent?CustomerOrg=VATech>

Vendors will need to register through this procurement portal, hosted by Jaggaer. **It is encouraged for all vendors to register prior to the proposal submission deadline to avoid late submissions.** Registration is easy and free. If you have any challenges with the registration process, please contact Jaggaer Support at 1-800-233-1121 or procurement@vt.edu.

Click on the opportunity and log in to your vendor account to begin preparing your submission. Upon completion, you will receive a submission receipt email confirmation. Virginia Tech will not confirm receipt of proposals. It is the responsibility of the offeror to make sure their proposal is delivered on time.

Hard copy or email proposals will not be accepted. Late proposals will not be accepted, nor will additional time be granted to any individual Vendor.

Attachments must be smaller than 50MB in order to be received by the University.

In compliance with this Request For Proposal and to all the conditions imposed therein and hereby incorporated by reference, the undersigned offers and agrees to furnish the goods or services in accordance with the attached signed proposal and as mutually agreed upon by subsequent negotiation.

AUTHORIZED SIGNATURE: _____ Date: _____

[INCLUDE THIS PAGE]

I. PURPOSE:

- A. Background: The Virginia Higher Education Procurement Consortium (VHEPC), on behalf of participating member institutions, is issuing this Request for Proposal (RFP) as part of a coordinated R&D sourcing initiative designed to modernize and streamline research-related contract coverage.

VHEPC represents public institutions of higher education and seeks to establish competitively awarded, category-based contracts that support the diverse and evolving research needs of its members. These contracts are intended for use by VHEPC participating institutions and may also serve as nationally accessible cooperative contracts for eligible public agencies that elect to utilize them.

Historically, research-related procurements have often been addressed through individual contract actions or sole-source justifications based on specialized needs. This initiative replaces fragmented approaches with structured, transparent, and scalable competitive procurement aligned to defined R&D categories.

The objective of this RFP is to establish a pool of qualified firms within the specified category that can provide reliable, compliant, and cost-effective solutions to VHEPC members while maintaining flexibility necessary for research environments.

This RFP is targeted for offerors providing specialized scientific equipment and instrumentation, which is defined as capital or system-based scientific, engineering, and research equipment, including highly specialized instruments and integrated systems. This category also includes incidental services such as installation, configuration, calibration, training, and equipment-specific maintenance that are inseparable from the acquisition and operation of the equipment.

B. Coordinated Multi-Institution Model

Multiple R&D RFPs are being issued concurrently by designated lead institutions within VHEPC. Each RFP corresponds to a distinct and clearly defined category of goods or services.

Each participating institution serves as the issuing authority for its assigned category. However, awarded contracts are intended for use by eligible VHEPC members in accordance with the terms of each solicitation.

This coordinated approach:

- Distributes administrative responsibility across institutions
- Aligns evaluation with subject-matter expertise
- Replaces numerous individual contracts with structured category-based coverage
- Preserves continuity of research operations

C. Category-Based Structure

This RFP corresponds to the following category: **Specialized Scientific Equipment & Instrumentation.**

Each category is defined based on the primary value delivered, whether capital equipment, consumable products, regulated research inputs, labor-based services, or software platforms.

Category definitions are consistent across all coordinated RFPs to ensure clarity and prevent duplication.

D. Vendor Response Guidance (Important)

Vendors are advised that multiple R&D RFPs are being issued simultaneously under this coordinated initiative.

To prevent duplication and ensure efficient evaluation:

- Vendors should submit a proposal in response to only one RFP category.
- Vendors offering products or services that could reasonably align with more than one category should select the RFP that best represents their primary line of business.
- Vendors should not submit identical or substantially similar proposals to multiple RFPs under this initiative.

If a vendor is uncertain which category is most appropriate, the vendor is strongly encouraged to contact Ryan Balber, VHEPC Director at rbalber@virginia.edu for guidance. VHEPC reserves the right to redirect or reassign proposals if a submission is clearly misaligned with the category scope.

E. Scope Intent

This RFP is intended to establish competitively awarded contracts within the defined category to:

- Reduce reliance on sole-source justifications
- Improve transparency and audit defensibility
- Provide predictable and sustainable contract coverage
- Support diverse and evolving research needs across participating institutions

The resulting contracts are not intended to limit research flexibility, but rather to provide structured, compliant procurement pathways.

F. Coordination and Consistency

While issued by a designated lead institution, this RFP is part of a broader, coordinated VHEPC initiative. Category definitions, evaluation principles, and vendor response guidance are aligned across all related solicitations.

This structure ensures vendors experience a unified and organized market approach despite multiple issuing institutions.

G. Open Enrollment/Additional Opportunities

This RFP establishes an initial award group. Following the initial award, the University reserves the right to open an additional RFP at its sole discretion to establish additional agreements for these goods and/or services, which may occur annually or as operationally needed.

During any subsequent open enrollment period:

- Firms not previously awarded may submit proposals.
- Proposals will be evaluated using the same published criteria.
- Additional contracts may be awarded to qualified Firms.

II. SWaM BUSINESS PARTICIPATION:

The mission of the Virginia Tech supplier opportunity program is to foster opportunity in the university supply chain and accelerate economic growth in our local communities through the engagement and empowerment of high quality and cost competitive SWaM, and local suppliers. Virginia Tech encourages prime suppliers, contractors, and service providers to facilitate

participation through partnerships, joint ventures, subcontracts, and other inclusive and innovative relationships.

For more information, please visit: <https://www.sbsd.virginia.gov/>

III. CONTRACT PERIOD:

The term of this contract is for two years, or as negotiated. There will be an option for four (4) two-year renewals, or as negotiated.

IV. EVA BUSINESS-TO-GOVERNMENT ELECTRONIC PROCUREMENT SYSTEM:

The eVA Internet electronic procurement solution streamlines and automates government purchasing activities within the Commonwealth of Virginia. Virginia Tech, and other state agencies and institutions, have been directed by the Governor to maximize the use of this system in the procurement of goods and services. *We are, therefore, requesting that your firm register as a vendor within the eVA system.*

There are transaction fees involved with the use of eVA. These fees must be considered in the provision of quotes, bids and price proposals offered to Virginia Tech. Failure to register within the eVA system may result in the quote, bid or proposal from your firm being rejected and the award made to another vendor who is registered in the eVA system.

Registration in the eVA system is accomplished on-line. Your firm must provide the necessary information. Please visit the eVA website portal at <http://www.eva.virginia.gov/pages/eva-registration-buyer-vendor.htm> and **register both with eVA and Ariba**. *This process needs to be completed before Virginia Tech can issue your firm a Purchase Order or contract.* If your firm conducts business from multiple geographic locations, please register these locations in your initial registration.

For registration and technical assistance, reference the eVA website at: <https://eva.virginia.gov/>, or call 866-289-7367 or 804-371-2525.

V. CONTRACT PARTICIPATION:

It is the intent of this solicitation and resulting contract to allow for cooperative procurement. Accordingly, any public body, public or private health or educational institutions, or Virginia Tech's affiliated corporations and/or partnerships may access any resulting contract if authorized by the contractor.

Participation in this cooperative procurement is strictly voluntary. If authorized by the Contractor, the resultant contract may be extended to the entities indicated above to purchase at contract prices in accordance with contract terms. The Contractor shall notify Virginia Tech in writing of any such entities accessing the contract, if requested. No modification of this contract or execution of a separate contract is required to participate. The Contractor will provide semi-annual usage reports for all entities accessing the Contract, as requested. Participating entities shall place their own

orders directly with the Contractor and shall fully and independently administer their use of the contract to include contractual disputes, invoicing and payments without direct administration from Virginia Tech. Virginia Tech shall not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Contractor to extend the contract. It is understood and agreed that Virginia Tech is not responsible for the acts or omissions of any entity, and will not be considered in default of the contract no matter the circumstances.

Use of this contract does not preclude any participating entity from using other contracts or competitive processes as the need may be.

VI. STATEMENT OF NEEDS/SCOPE OF WORK:

- A. Discounts/Logistics: Deep discounts off list are expected. Except for special handling, prices should be inclusive of delivery (FOB Destination).
- B. Sales representation: Provide a plan for sales representation. We recognize that not all institution accounts will warrant full-time on-campus representation. Provide a narrative on how you propose to provide this service.
- C. Product Satisfaction: The Contractor should act as a customer advocate and coordinator for communications and is responsible for performance and problem resolution. Customer satisfaction will be a determining factor in measuring the Contractor's performance.
- D. Warranty: All products purchased under this contract will minimally include the Original Equipment Manufacturer's warranty which will pass directly to Virginia Tech. Products which fail after acceptance and installation will be covered under warranty. Products which are inoperative at installation will either be replaced by the Contractor or repaired under warranty. The decision to replace such products or accept warranty repair will be at the sole discretion of Virginia Tech, except in the event Virginia Tech fails to provide timely notice of product failure to the Contractor. The Contractor should provide contact information for requests for warranty services for all equipment sold under the contract. Any maintenance agreements available from the Contractor should be provided to Virginia Tech as an option and priced as discounted off list price.
- E. Sustainability: The Contractor is encouraged to address environmental concerns related to the purchase of recycled products, reductions of operating and maintenance costs, improved energy efficiencies, reduction of waste, use of 'green' products, and efforts to reduce consumption of energy, water, and materials.
- F. Minimum Order: There shall be no minimum order requirement.
- G. Quarterly Reporting Requirements
 1. Reporting Obligation

The awarded Contractor shall provide quarterly sales reports to VHEPC for the duration of the contract.

Reports are mandatory regardless of sales volume and must be submitted even if there were no purchases during the reporting period (in which case a "zero sales" report shall be submitted).

Reports shall be submitted electronically no later than thirty (30) calendar days following the end of each calendar quarter.

2. Reporting Format

All reports must be submitted using the VHEPC Unified Quarterly Reporting Template provided as an attachment to this RFP.

Contractors shall not modify the structure, column order, or formatting of the template. Alternative reporting formats will not be accepted.

The template includes:

- A "Quarterly Reporting" tab for VHEPC member purchases
- A "Non-Member Reporting" tab for purchases made by entities accessing the contract under the Publicly Accessible Contract (PAC) structure

3. Member Reporting Requirement

The "Quarterly Reporting" tab shall include item-level detail for all purchases made by VHEPC participating institutions during the reporting period.

Each transaction line shall include, at minimum:

- University
- PO Number
- Order Date
- Invoice Number
- Invoice Date
- Department
- Vendor SKU (if applicable)
- Product Category
- Item Description or Service Description
- Manufacturer Name (if applicable)
- Manufacturer Number (if applicable)
- Unit of Measure
- MSRP (if applicable)
- Contract Price
- Net Price
- Quantity (or Hours for services)
- Extended Volume (total invoiced amount)

Summary-only reporting is not acceptable.

4. Non-Member (PAC) Reporting Requirements

If the Contractor elects to permit third-party access under the Publicly Accessible Contract (PAC) structure, the Contractor shall also complete the "Non-Member Reporting" tab.

The Non-Member Report shall include all item-level transactions associated with non-VHEPC entities that accessed the contract during the reporting period.

The Non-Member Report shall serve as the basis for PAC Annual Fee calculation in accordance with the PAC Agreement.

If no non-member sales occurred, the Contractor shall indicate "No Sales" on the Non-Member Reporting tab.

5. Submission Method

Quarterly reports shall be submitted electronically to:

VHEPC Contract Administrator

Anu Mathew

amathew@virginia.edu

Reports must be submitted in Excel format and shall clearly identify in the title of the excel file:

- Vendor Name
- Contract Number
- Reporting Period (Quarter Ending)

6. Use of Reported Data

Reported data may be used by VHEPC for:

- Spend analysis and reporting
- Pricing consistency review
- Identification of cost savings opportunities
- Contract performance monitoring
- PAC Annual Fee verification

Reported data will be treated as confidential to the extent permitted by applicable law.

7. Failure to Comply

Failure to provide accurate and timely quarterly reporting may result in:

- Withholding of contract renewal or extension
- Suspension of third-party access privileges
- Audit review
- Termination for default in cases of repeated non-compliance

H. Publicly Accessible Contract (PAC) Requirement (see **ATTACHMENT C** for PAC Agreement)

1. Mandatory Execution of PAC Agreement

As a condition of award, all Offerors awarded a contract under this RFP shall execute the VHEPC Publicly Accessible Contract ("PAC") Agreement.

Execution of the PAC Agreement is mandatory and is not subject to post-award negotiation.

The PAC Agreement shall be incorporated by reference into the resulting contract.

2. Optional Third-Party Access

The PAC Agreement provides a mechanism through which eligible public entities that are not VHEPC participating institutions may elect to access the awarded contract.

Participation in third-party access is voluntary for the awarded Contractor.

An awarded Contractor may elect whether to permit third-party access under the PAC structure. Such election shall be documented at the time of contract execution or amended thereafter by mutual agreement.

No guarantee of third-party usage is made or implied.

3. PAC Annual Fee

If an awarded Contractor elects to permit third-party access and receives revenue from non-VHEPC entities under the PAC structure, the Contractor shall remit a Publicly Accessible Contract Annual Fee equal to one percent (1%) of revenue received from such non-VHEPC entities, in accordance with the PAC Agreement.

The PAC Annual Fee:

- Applies only to revenue received from non-VHEPC entities utilizing third-party access
- Does not apply to purchases made by VHEPC participating institutions
- Shall not be invoiced or passed through as a separate line item to participating institutions

Offerors shall incorporate any anticipated PAC-related costs into their proposed pricing.

4. Reporting and Reconciliation

Contractors electing to permit third-party access shall submit quarterly Non-Member (PAC) reports in accordance with the RFP Reporting Requirements section.

Reported data shall serve as the basis for PAC Annual Fee calculation.

VHEPC reserves the right to reconcile reported revenue against PAC fee remittance.

5. Future Open Enrollment Applicability

All firms awarded under future open enrollment generations of this RFP shall be subject to the same PAC execution requirement.

VII. PROPOSAL PREPARATION AND SUBMISSION:

A. Specific Requirements

Proposals should be as thorough and detailed as possible so that Virginia Tech may properly evaluate your capabilities to provide the required goods or services. Offerors are required to submit the following information/items as a complete proposal:

1. Provide a summary overview of the company, including qualifications and experiences, geographical operations, unique services provided to the higher education marketplace and any envisioned company changes including planned technological advances and acquisitions.
2. List all contact information for ordering, invoicing, customer service, etc.
3. Describe delivery options and policies including special handling charges, installation and training if required for the items being offered. **All orders shall be FOB destination.** Include information regarding delivery costs and/or free delivery. Specify costs in Attachment B Pricing Schedule.
4. Specify typical turnaround time for delivery (standard, rush, etc.) for the items being offered.
5. Describe return policy (including replacement of defective, broken, or damaged items) and identify any associated costs. Any costs to be specified in **Attachment B Pricing Schedule**.

6. Provide sample quote and invoice. Quotes shall include manufacturer list price and contracted discount price.
7. Identify any other goods or services offered to Virginia Tech and associated costs as specified in **Attachment B Pricing Schedule**.
8. Participation of SWaM Business:

If your business cannot be classified as SWaM, describe your plan for utilizing SWaM subcontractors if awarded a contract. Describe your ability to provide reporting on SWaM subcontracting spend when requested. If your firm or any business that you plan to subcontract with can be classified as SWaM, but has not been certified by the Virginia Department of Small Business and Supplier Diversity (SBSD), it is expected that the certification process will be initiated no later than the time of the award. If your firm is currently certified, you agree to maintain your certification for the life of the contract. For assistance with SWaM certification, visit the SBSD website at <http://www.sbsd.virginia.gov/>
9. The return of the Submission Instruction page and addenda, if any, signed and filled out as required.

D. General Requirements

1. RFP Response: In order to be considered for selection, Offerors shall submit a complete response to this RFP to include;
 - a. **One (1) electronic document** in WORD format or searchable PDF of the entire proposal as one document, INCLUDING ALL ATTACHMENTS must be uploaded through the Virginia Tech online submission portal. Refer to page 2 for instructions.

Any proprietary information should be clearly marked in accordance with 2.d. below.

- b. Should the proposal contain **proprietary information**, provide **one (1) redacted electronic copy** of the proposal and attachments **with proprietary portions removed or blacked out**. This redacted copy should follow the same upload procedures as described on Page 1 of this RFP. This redacted copy should be clearly marked "*Redacted Copy*" within the name of the document. The classification of an entire proposal document, line item prices and/or total proposal prices as proprietary or trade secrets is not acceptable. Virginia Tech shall not be responsible for the Contractor's failure to exclude proprietary information from this redacted copy.

No other distribution of the proposals shall be made by the Offeror.

2. Proposal Preparation:
 - a. Proposals shall be signed by an authorized representative of the Offeror. All information requested should be submitted. Failure to submit all information requested may result in Virginia Tech requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by Virginia Tech at its discretion. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.

- b. Proposals should be prepared simply and economically providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be on completeness and clarity of content.
 - c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, subletter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and subletter should be repeated at the top of the next page. The proposal should contain a table of contents which cross references the RFP requirements. Information which the offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.
 - d. Ownership of all data, material and documentation originated and prepared for Virginia Tech pursuant to the RFP shall belong exclusively to Virginia Tech and be subject to public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by an Offeror shall not be subject to public disclosure under the Virginia Freedom of Information Act. However, to prevent disclosure the Offeror must invoke the protections of Section 2.2-4342F of the Code of Virginia, in writing, either before or at the time the data or other materials is submitted. The written request must specifically identify the data or other materials to be protected and state the reasons why protection is necessary. –The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices and/or total proposal prices as proprietary or trade secrets is not acceptable and may result in rejection of the proposal.
3. Oral Presentation: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to Virginia Tech.—This will provide an opportunity for the Offeror to clarify or elaborate on the proposal but will in no way change the original proposal. Virginia Tech will schedule the time and location of these presentations. Oral presentations are an option of Virginia Tech and may not be conducted. Therefore, proposals should be complete.

VIII. SELECTION CRITERIA AND AWARD:

A. Selection Criteria

Proposals will be evaluated by Virginia Tech using the following:

<u>Criteria</u>	<u>Maximum Point Value</u>
1. Quality of products/services offered and suitability for the intended purposes	25
2. Qualifications and experiences of Offeror in providing the goods/services	25
3. Specific plans or methodology to be used to provide the Services	25
4. Cost (or Price)	15
5. Participation of SWaM Business	10
Total	100

B. Award

Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors included in the Request for Proposal, including price, if so stated in the Request for Proposal. Negotiations shall then be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, Virginia Tech shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. Virginia Tech may cancel this Request for Proposal or reject proposals at any time prior to an award. Should Virginia Tech determine in writing and in its sole discretion that only one offeror has made the best proposal, a contract may be negotiated and awarded to that offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of this solicitation and the Contractor's proposal as negotiated.

Virginia Tech reserves the right to award multiple contracts as a result of this solicitation.

IX. INVOICES:

Invoices for goods or services provided under any contract resulting from this solicitation shall be submitted by email to vtinvoices@vt.edu or by mail to:

Virginia Polytechnic Institute and State University (Virginia Tech)
Accounts Payable
North End Center, Suite 3300
300 Turner Street NW
Blacksburg, Virginia 24061

X. METHOD OF PAYMENT:

Virginia Tech will authorize payment to the contractor as negotiated in any resulting contract from the aforementioned Request for Proposal.

Payment can be expedited through the use of the Wells One AP Control Payment System. Virginia Tech strongly encourages participation in this program. For more information on this program please refer to Virginia Tech's Procurement website: <http://www.procurement.vt.edu/vendor/wellsone.html> or contact the procurement officer identified in the RFP.

XI. ADDENDUM:

Any **ADDENDUM** issued for this solicitation may be accessed at <https://bids.scquest.com/apps/Router/PublicEvent?CustomerOrg=VATech>. Since a paper copy of the addendum will not be mailed to you, we encourage you to check the web site regularly.

XII. COMMUNICATIONS:

Communications regarding this solicitation shall be formal from the date of issue, until either a Contractor has been selected or the Procurement Department rejects all proposals. Formal communications will be directed to the procurement officer listed on this solicitation. Informal communications, including but not limited to request for information, comments or speculations regarding this solicitation to any University employee other than a Procurement Department representative may result in the offending Offeror's proposal being rejected.

XIII. CONTROLLING VERSION OF SOLICITATION:

The posted version of the solicitation and any addenda issued by Virginia Tech Procurement Services is the mandatory controlling version of the document. Any modification of/or additions to the solicitation by the Offeror shall not modify the official version of the solicitation issued by Virginia Tech Procurement Services. Such modifications or additions to the solicitation by the Offeror may be cause for rejection of the proposal; however, Virginia Tech reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a proposal.

XIV. TERMS AND CONDITIONS:

This solicitation and any resulting contract/purchase order shall be governed by the attached terms and conditions, see Attachment A.

XV. CONTRACT ADMINISTRATION:

- A. The individual user departments at Virginia Tech shall be identified as the Contract Administrators and shall use all powers under the contract to enforce its faithful performance.
- B. The Contract Administrators in each user departments shall determine the amount, quantity, acceptability, fitness of all aspects of the services and shall decide all other questions in connection with the services. Contract Administrators, or designees, shall not have authority to approve changes in the services which alter the concept or which call for an extension of time for this contract. Any modifications made must be authorized by the Virginia Tech Procurement Department through a written amendment to the contract.
- C. Levi Henry, Senior Contracting Officer, Procurement, shall oversee the contract in its entirety and will serve as the point of contact for issues involving this contract.

XVI. ATTACHMENTS:

Attachment A - Terms and Conditions

Attachment B - Pricing Schedule

Attachment C – PAC Agreement

ATTACHMENT A

TERMS AND CONDITIONS

RFP GENERAL TERMS AND CONDITIONS

See:

https://www.procurement.vt.edu/content/dam/procurement_vt_edu/docs/terms/RFP-General-Terms-And-Conditions.pdf

ADDITIONAL TERMS AND CONDITIONS.

1. **ADDITIONAL GOODS AND SERVICES:** The University may acquire other goods or services that the supplier provides other than those specifically solicited. The University reserves the right, subject to mutual agreement, for the Contractor to provide additional goods and/or services under the same pricing, terms and conditions and to make modifications or enhancements to the existing goods and services. Such additional goods and services may include other products, components, accessories, subsystems, or related services newly introduced during the term of the Agreement.
2. **AUDIT:** The Contractor hereby agrees to retain all books, records, and other documents relative to this contract for five (5) years after final payment, or until audited by the Commonwealth of Virginia, whichever is sooner. Virginia Tech, its authorized agents, and/or the State auditors shall have full access and the right to examine any of said materials during said period.
3. **AVAILABILITY OF FUNDS:** It is understood and agreed between the parties herein that Virginia Tech shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.
4. **CANCELLATION OF CONTRACT:** Virginia Tech reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the Contractor. In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the Contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.
5. **CONTRACT DOCUMENTS:** The contract entered into by the parties shall consist of the Request for Proposal including all modifications thereof, the proposal submitted by the Contractor, the written results of negotiations, the Commonwealth Standard Contract Form, all of which shall be referred to collectively as the Contract Documents.
6. **IDENTIFICATION OF PROPOSAL:** Virginia Tech will only be accepting electronic submission of proposals. All submissions must be submitted to the Virginia Tech online submission portal. Upon completion you will be directed to your Submission Receipt. Virginia Tech will not confirm receipt of proposals. It is the responsibility of the offeror to make sure their proposal is delivered on time. **Attachments must be smaller than 50MB in order to be received by the University.** Proposals may **NOT** be hand delivered to the Procurement Office.
7. **NOTICES:** Any notices to be given by either party to the other pursuant to any contract resulting from this solicitation shall be in writing via email.
8. **SEVERAL LIABILITY:** Virginia Tech will be severally liable to the extent of its purchases made against any contract resulting from this solicitation. Applicable entities described herein will be severally liable to the extent of their purchases made against any contract resulting from this solicitation.

9. CLOUD OR WEB HOSTED SOFTWARE SOLUTIONS: For agreements involving Cloud-based Web-hosted software/applications refer to link for additional terms and conditions: https://www.procurement.vt.edu/content/dam/procurement_vt_edu/itprocurement/Data_Security_FER_PA_Addendum_2024.docx.

10. ADVERTISING: In the event a contract is awarded for supplies, equipment, or services resulting from this solicitation, no indication of such sales or services to Virginia Tech will be used in product literature or advertising. The contractor shall not state in any of the advertising or product literature that the Commonwealth of Virginia or any agency or institution of the Commonwealth has purchased or uses its products or services.

11. ELECTRICAL INSTALLATION: All equipment/material shall conform to the latest issue of all applicable standards as established by National Electrical Manufacturer's Association (NEMA), American National Standards Institute (ANSI), and Underwriters' Laboratories, Incorporated (UL) or other Nationally Recognized Testing Laboratories (NRTL) currently listed with the US Department of Labor. All equipment and material, for which there are NEMA, ANSI, UL or other NRTL standards and listings, shall bear the appropriate label of approval for use intended.

12. INSURANCE

By signing and submitting a Proposal/Bid under this solicitation, the offeror/bidder certifies that if awarded the contract, it will have the following insurance coverages at the time the work commences. Additionally, it will maintain these during the entire term of the contract and that all insurance coverages will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.

During the period of the contract, Virginia Tech reserves the right to require the contractor to furnish certificates of insurance for the coverage required.

INSURANCE COVERAGES AND LIMITS REQUIRED:

A. Worker's Compensation - Statutory requirements and benefits.

B. Employers Liability - \$100,000.00

C. General Liability - \$2,000,000.00 combined single limit. Virginia Tech and the Commonwealth of Virginia shall be named as an additional insured with respect to goods/services being procured. This coverage is to include Premises/Operations Liability, Products and Completed Operations Coverage, Independent Contractor's Liability, Owner's and Contractor's Protective Liability and Personal Injury Liability.

D. Automobile Liability - \$500,000.00

E. The contractor agrees to be responsible for, indemnify, defend and hold harmless Virginia Tech, its officers, agents and employees from the payment of all sums of money by reason of any claim against them arising out of any and all occurrences resulting in bodily or mental injury or property damage that may happen to occur in connection with and during the performance of the contract, including but not limited to claims under the Worker's Compensation Act. The contractor agrees that it will, at all times, after the completion of the work, be responsible for, indemnify, defend and hold harmless Virginia Tech, its officers, agents and employees from all liabilities resulting from bodily or mental injury or property damage directly or indirectly arising out of the performance or nonperformance of the contract

13. LABELING OF HAZARDOUS SUBSTANCES: If the items or products requested by this solicitation are "Hazardous Substances" as defined by the # 3.1-250 of the Code of Virginia (1950), as amended, or # 1261 of Title 15 of the United States Code, then the offeror/bidder, by submitting its Proposal/Bid, certifies and warrants that the items or products to be delivered under this contract shall be properly labeled as required by the foregoing sections and that by delivering the items or products the offeror/bidder does not violate any of the prohibitions of # 3.1-252 of the Code of Virginia or Title 15 U.S.C. # 1263.

- 14. LICENSE TO USE VIRGINIA TECH LICENSED INDICIA:** By signing and submitting this Proposal/Bid, the offeror/bidder agrees that if it is awarded a purchase order/contract as a result of this solicitation, it will follow the procedures outlined by Virginia Tech's Licensing and Trademarks Administration to become a licensed vendor authorized to use Virginia Tech licensed trademarks indicia identified in the solicitation and to follow all procedures for submitting artwork for product for approval prior to producing any product with Virginia Tech indicia. As a licensed vendor, the offeror/bidder will be required to pay the university's standard royalty rate for similarly licensed vendors. *More information on the licensing process and application can be found at: <http://clc.com/Licensing-Info.aspx>.*
- 15. ORDERS:** Applicable departments, institutions, agencies and Public Bodies of the Commonwealth of Virginia may order by issuing a purchase order against any contract resulting from this solicitation.
- 16. PRICE ESCALATION/DEESCALATION:** Price adjustments for changes in the contractor's price of materials, labor and transportation may be permitted. Request for price adjustments for any other reasons will not be granted. No price increases will be authorized for 365 calendar days after the effective date of the contract. Contractor shall give not less than 30 days advance notice prior to the annual renewal of the contract of any desired price increase.

The Contractor shall document the amount and proposed effective date of any general change in the price of materials, labor and transportation. Documentation shall be supplied with the contractor's request for increase which will (1) verify that the requested price increase is general in scope and not applicable just to Virginia Tech, and (2) verify the amount or percentage of increase which is being passed on to the contractor by the contractor's suppliers. Failure by the contractor to supply the aforementioned verification with the request for price increase will result in a delay of the effective date of such increase. The Virginia Tech Procurement Department may verify such change in price independently. The Virginia Tech Procurement Department may make such verification as it deems adequate. However, any increase which the Virginia Tech Procurement Department determines is excessive, regardless of any documentation supplied by the contractor, may be cause for cancellation of the contract by the Virginia Tech Procurement Department. The Virginia Tech Procurement Department will notify the contractor in writing of the effective date of any increase which is approved. However, the contractor shall fill all purchase orders received prior to the effective date of the price adjustments of the old contract prices.

"Across the Board" price decreases are subject to implementation at any time and shall be immediately conveyed to Virginia Tech. The contractor is further advised that price decreases which affect the price of materials, labor, and transportation are required to be passed on to Virginia Tech immediately. Failure to do so will result in action to recoup such amounts.

- 17. SPECIAL OR PROMOTIONAL DISCOUNTS:** The Contractor shall extend any special promotional sale prices or discounts immediately to Virginia Tech during the term of the contract. Such notice shall also advise the duration of the specific sale or discount price.
- 18. SIDEWALK POLICY:** Driving on sidewalks is allowed when there is no other way to get a needed vehicle to a designated place or building on campus. The vehicle operator shall be made aware that extreme caution shall be used to operate the vehicle in a way that will not be a hazard or hindrance to pedestrians using the walk. The contractor shall be responsible for any damage to turf and anything that is located adjacent to the walk. Parking an unattended vehicle on a sidewalk is strictly prohibited by State Law. The contractor is allowed to park a vehicle on a sidewalk if there is no other way to perform necessary work. The procedure to obtain a permit to operate a vehicle on sidewalks is the same as for the turf as outlined in Turf Policy. Any vehicle parked illegally on sidewalks shall be subject to ticketing, fines and towing if necessary.
- 19. TURF POLICY:** Parking or driving on campus turf or sidewalk is strictly prohibited, except as specifically directed or otherwise allowed by the Physical Plant Grounds Department. In this case, a

turf permit must be obtained from Virginia Tech Parking Services and displayed by the vehicle. Turf parking is not allowed under the canopy of any tree on campus. Any vehicle parked illegally on turf or sidewalks shall be subject to ticketing and fines.

20. WARRANTY (COMMERCIAL): The contractor agrees that the supplies or services furnished under any award resulting from this solicitation shall be covered by the most favorable commercial warranties the contractor gives any customer for such supplies or services and that the rights and remedies provided therein are in addition to and do not limit those available to Virginia Tech by any other clause of this solicitation.

Attachment B

Pricing Schedule

The offeror shall provide pricing using the template below as applicable. The pricing schedule should include percentage off list price for specific manufacturer/product lines and/or categories. The “volume tier” section is intended to allow the offeror to provide volume-based incentives if applicable.

Equipment Category	Manufacturer	Model	List Price	Discount %	Net Price	Installation Cost	AVG Lead Time (Days)	Volume Tier (if applicable)

Attachment C
AGREEMENT
PUBLICLY ACCESSIBLE CONTRACT

This Agreement executed this [Date] day of [Month, Year] by and between [VASCUPP MEMBER NAME], (“the University”) and [Supplier NAME] (“Supplier”).

TERM

The term of this Publicly Accessible Contract (“PAC”) shall remain in effect until the expiration or termination of the Primary Agreement.

WITNESS

WHEREAS, the University and Supplier have executed an agreement, [CONTRACT NUMBER], dated [CONTRACT DATE] (the “Primary Agreement”), and included in the Primary Agreement is a third party access / cooperative procurement clause. Now therefore, the University and Supplier agree to the specific terms that will allow third-party access to the Primary Agreement, and based on other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

- I. Supplier will:
 - A. Allow third parties to obtain goods and services from Supplier in accordance with the terms and pricing of the Primary Agreement (“Third-Party Access”).
 - B. Pay the Virginia Higher Education Procurement Consortium (“Consortium”) one percent (1%) of all revenue received by Supplier from non-Consortium entities through Third-Party Access (the “PAC Annual Fee”). The PAC Annual Fee will be paid in exchange for marketing services provided by the University and the Consortium described in Section II.
 - C. Fully support this marketing relationship by promoting the availability of the Third Party Access to non-Consortium entities; and
 - D. Provide quarterly reports detailing the amount of revenue received from non-Consortium entities through Third-Party Access.
- II. The University will ensure the Consortium:
 - A. Promotes the Primary Agreement and Third-Party Access on its website and through other channels (e.g., conferences) to non-Consortium members; and
 - B. Maintains a Supplier-approved version of the Supplier’s logo on the Consortium website.
- III. Payment
 - A. Supplier shall remit the PAC Annual Fee to the Consortium no later than August 31st of each year. The University and Consortium will share the payments equally and allocate payments to the appropriate accounts.

If the Primary Agreement expires or terminates before August 31st, Supplier shall remit the PAC Annual Fee no later than 45 calendar days from expiration or termination date of the Primary Agreement.

- B. Supplier shall remit the PAC Annual Fee by check in U.S. dollars. Checks will be made payable to the University of Virginia and sent to:

Procurement Office Manager
Procurement and Supplier Diversity Services
University of Virginia, Carruthers Hall
PO Box 400202
1001 N. Emmet Street
Charlottesville, VA 22904

Note 'PAC payment' on check.

IV. Notices

Any notice required or permitted to be given under this Agreement will be in writing and will be deemed duly given: (1) if delivered personally, when received; (2) if sent by recognized overnight courier service, on the date of the receipt provided by such courier service; (3) if sent by registered mail, postage prepaid, return receipt requested, on the date shown on the signed receipt; or (4) if sent by electronic mail, on the next business day of the receiver. All such notices will be addressed to a party at such party's address as shown below.

If to the University:

**VIRGINIA POLYTECHNIC INSTITUTE AND STATE UNIVERSITY
PROCUREMENT DEPARTMENT**

ADDENDUM NO. 1

DATE:	April 24, 2026
TO:	All Offerors
FROM:	Levi Henry, Senior Contracts Officer
TOTAL PAGE(S):	2
SOLICITATION TITLE:	Specialized Scientific Equipment and Instrumentation
SOLICITATION NUMBER:	952642606

I. CLARIFICATIONS AND ADDITIONAL INFORMATION

1. The VHEPC Quarterly Reporting Template referenced in the RFP is included as an attachment as part of this addendum. ***Please note that not all fields are required, and we are flexible in allowing the offeror to do the best they can to provide the data as it applies to their product/service offering.

II. REQUESTS FOR INFORMATION

1. We utilize a standardized pricing model that structures pricing by supplier and product line, providing a defined range of minimum and maximum discount percentages within each category. As a result, pricing components such as list price, net price, and installation costs may not be applicable. Will this pricing approach be acceptable for the RFP?

Yes, this is acceptable just please clearly indicate the discount percentages as part of your pricing approach.

2. Section 10 of Attachment A prohibits stating in our literature that any Commonwealth agency or institution has purchased or uses its products. Are contractors permitted to advertise the agreement itself in its literature? In the PAC it states the University will promote the PAC, but can the contractor promote it as well?

Yes, contractors are permitted to advertise the agreement itself in its literature. Virginia Tech and VHEPC will both work in conjunction to promote the PAC, and we highly encourage the contractor to promote the PAC as well.

3. *The link in Attachment A appears to be inactive. Please confirm if the doc in the following link is correct:*

https://www.procurement.vt.edu/content/dam/procurement_vt_edu/docs/terms/RFP-General-Terms-And-Conditions.pdf

Please use the following link instead:

https://www.procurement.vt.edu/content/dam/procurement_vt_edu/docs/terms/RFP-General-Terms-And-Conditions.pdf

4. We are seeking clarification regarding invoicing requirements under this contract. Specifically, Section 1X states: "Invoices for goods or services provided under any contract resulting from this solicitation shall be submitted by email to vtinvoices@vt.edu." Could you please confirm whether this means that all invoices from all participating entities must be submitted to Virginia Tech's Accounts Payable, or whether this requirement applies only to VT.edu, with other entities receiving invoices directly?

This section refers strictly to Virginia Tech invoices. Other entities shall be invoiced directly and do not need to be sent to Virginia Tech.

Request for Proposal # 952642606

For

Specialized Scientific Equipment & Instrumentation

April 10, 2026

Note: This public body does not discriminate against faith-based organizations in accordance with the *Code of Virginia*, § 2.2-4343.1 or against a bidder or offeror because of race, religion, color, sex, sexual orientation, gender identity, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment.

RFP # 952642606, Specialized Scientific Equipment & Instrumentation

INCLUDE THIS PAGE WITH YOUR PROPOSAL, SIGNATURE AT SUBMISSION IS REQUIRED

DUE DATE: Proposals will be received until **May 11th, 2026 at 3:00 PM**. Failure to submit proposals to the correct location by the designated date and hour will result in disqualification.

INQUIRIES: All inquiries for information regarding this solicitation should be directed to Levi Henry, Phone: (540) 231-7852 e-mail: lhenry29@vt.edu. All inquiries will be answered in the form of an addendum. Inquiries must be submitted by 3:00 PM on April 24, 2026. Inquiries must be submitted to the procurement officer identified in this solicitation.

PROPOSAL SUBMISSION:

***Please note. proposal submission procedures have changed effective March 2023.**

Proposals may NOT be hand delivered to the Procurement Office.

Proposals should be submitted electronically through Virginia Tech's procurement portal. This portal allows you access to view business opportunities and submit bids and proposals to Virginia Tech digitally and securely.

Proposals must be submitted electronically at:

<https://bids.scquest.com/apps/Router/PublicEvent?CustomerOrg=VATech>

Vendors will need to register through this procurement portal, hosted by Jaggaer. **It is encouraged for all vendors to register prior to the proposal submission deadline to avoid late submissions.** Registration is easy and free. If you have any challenges with the registration process, please contact Jaggaer Support at 1-800-233-1121 or procurement@vt.edu.

Click on the opportunity and log in to your vendor account to begin preparing your submission. Upon completion, you will receive a submission receipt email confirmation. Virginia Tech will not confirm receipt of proposals. It is the responsibility of the offeror to make sure their proposal is delivered on time.

Hard copy or email proposals will not be accepted. Late proposals will not be accepted, nor will additional time be granted to any individual Vendor.

Attachments must be smaller than 50MB in order to be received by the University.

In compliance with this Request For Proposal and to all the conditions imposed therein and hereby incorporated by reference, the undersigned offers and agrees to furnish the goods or services in accordance with the attached signed proposal and as mutually agreed upon by subsequent negotiation.

[INCLUDE THIS PAGE]

I. PURPOSE:

- A. Background: The Virginia Higher Education Procurement Consortium (VHEPC), on behalf of participating member institutions, is issuing this Request for Proposal (RFP) as part of a coordinated R&D sourcing initiative designed to modernize and streamline research-related contract coverage.

VHEPC represents public institutions of higher education and seeks to establish competitively awarded, category-based contracts that support the diverse and evolving research needs of its members. These contracts are intended for use by VHEPC participating institutions and may also serve as nationally accessible cooperative contracts for eligible public agencies that elect to utilize them.

Historically, research-related procurements have often been addressed through individual contract actions or sole-source justifications based on specialized needs. This initiative replaces fragmented approaches with structured, transparent, and scalable competitive procurement aligned to defined R&D categories.

The objective of this RFP is to establish a pool of qualified firms within the specified category that can provide reliable, compliant, and cost-effective solutions to VHEPC members while maintaining flexibility necessary for research environments.

This RFP is targeted for offerors providing specialized scientific equipment and instrumentation, which is defined as capital or system-based scientific, engineering, and research equipment, including highly specialized instruments and integrated systems. This category also includes incidental services such as installation, configuration, calibration, training, and equipment-specific maintenance that are inseparable from the acquisition and operation of the equipment.

B. Coordinated Multi-Institution Model

Multiple R&D RFPs are being issued concurrently by designated lead institutions within VHEPC. Each RFP corresponds to a distinct and clearly defined category of goods or services.

Each participating institution serves as the issuing authority for its assigned category. However, awarded contracts are intended for use by eligible VHEPC members in accordance with the terms of each solicitation.

This coordinated approach:

- Distributes administrative responsibility across institutions
- Aligns evaluation with subject-matter expertise
- Replaces numerous individual contracts with structured category-based coverage
- Preserves continuity of research operations

C. Category-Based Structure

This RFP corresponds to the following category: **Specialized Scientific Equipment & Instrumentation.**

Each category is defined based on the primary value delivered, whether capital equipment, consumable products, regulated research inputs, labor-based services, or software platforms.

Category definitions are consistent across all coordinated RFPs to ensure clarity and prevent duplication.

D. Vendor Response Guidance (Important)

Vendors are advised that multiple R&D RFPs are being issued simultaneously under this coordinated initiative.

To prevent duplication and ensure efficient evaluation:

- Vendors should submit a proposal in response to only one RFP category.
- Vendors offering products or services that could reasonably align with more than one category should select the RFP that best represents their primary line of business.
- Vendors should not submit identical or substantially similar proposals to multiple RFPs under this initiative.

If a vendor is uncertain which category is most appropriate, the vendor is strongly encouraged to contact Ryan Balber, VHEPC Director at rbalber@virginia.edu for guidance. VHEPC reserves the right to redirect or reassign proposals if a submission is clearly misaligned with the category scope.

E. Scope Intent

This RFP is intended to establish competitively awarded contracts within the defined category to:

- Reduce reliance on sole-source justifications
- Improve transparency and audit defensibility
- Provide predictable and sustainable contract coverage
- Support diverse and evolving research needs across participating institutions

The resulting contracts are not intended to limit research flexibility, but rather to provide structured, compliant procurement pathways.

F. Coordination and Consistency

While issued by a designated lead institution, this RFP is part of a broader, coordinated VHEPC initiative. Category definitions, evaluation principles, and vendor response guidance are aligned across all related solicitations.

This structure ensures vendors experience a unified and organized market approach despite multiple issuing institutions.

G. Open Enrollment/Additional Opportunities

This RFP establishes an initial award group. Following the initial award, the University reserves the right to open an additional RFP at its sole discretion to establish additional agreements for these goods and/or services, which may occur annually or as operationally needed.

During any subsequent open enrollment period:

- Firms not previously awarded may submit proposals.
- Proposals will be evaluated using the same published criteria.
- Additional contracts may be awarded to qualified Firms.

II. SWaM BUSINESS PARTICIPATION:

The mission of the Virginia Tech supplier opportunity program is to foster opportunity in the university supply chain and accelerate economic growth in our local communities through the engagement and empowerment of high quality and cost competitive SWaM, and local suppliers. Virginia Tech encourages prime suppliers, contractors, and service providers to facilitate

participation through partnerships, joint ventures, subcontracts, and other inclusive and innovative relationships.

For more information, please visit: <https://www.sbsd.virginia.gov/>

III. CONTRACT PERIOD:

The term of this contract is for two years, or as negotiated. There will be an option for four (4) two-year renewals, or as negotiated.

IV. EVA BUSINESS-TO-GOVERNMENT ELECTRONIC PROCUREMENT SYSTEM:

The eVA Internet electronic procurement solution streamlines and automates government purchasing activities within the Commonwealth of Virginia. Virginia Tech, and other state agencies and institutions, have been directed by the Governor to maximize the use of this system in the procurement of goods and services. *We are, therefore, requesting that your firm register as a vendor within the eVA system.*

There are transaction fees involved with the use of eVA. These fees must be considered in the provision of quotes, bids and price proposals offered to Virginia Tech. Failure to register within the eVA system may result in the quote, bid or proposal from your firm being rejected and the award made to another vendor who is registered in the eVA system.

Registration in the eVA system is accomplished on-line. Your firm must provide the necessary information. Please visit the eVA website portal at <http://www.eva.virginia.gov/pages/eva-registration-buyer-vendor.htm> and **register both with eVA and Ariba.** *This process needs to be completed before Virginia Tech can issue your firm a Purchase Order or contract.* If your firm conducts business from multiple geographic locations, please register these locations in your initial registration.

For registration and technical assistance, reference the eVA website at: <https://eva.virginia.gov/>, or call 866-289-7367 or 804-371-2525.

V. CONTRACT PARTICIPATION:

It is the intent of this solicitation and resulting contract to allow for cooperative procurement. Accordingly, any public body, public or private health or educational institutions, or Virginia Tech's affiliated corporations and/or partnerships may access any resulting contract if authorized by the contractor.

Participation in this cooperative procurement is strictly voluntary. If authorized by the Contractor, the resultant contract may be extended to the entities indicated above to purchase at contract prices in accordance with contract terms. The Contractor shall notify Virginia Tech in writing of any such entities accessing the contract, if requested. No modification of this contract or execution of a separate contract is required to participate. The Contractor will provide semi-annual usage reports for all entities accessing the Contract, as requested. Participating entities shall place their own

orders directly with the Contractor and shall fully and independently administer their use of the contract to include contractual disputes, invoicing and payments without direct administration from Virginia Tech. Virginia Tech shall not be held liable for any costs or damages incurred by any other participating entity as a result of any authorization by the Contractor to extend the contract. It is understood and agreed that Virginia Tech is not responsible for the acts or omissions of any entity, and will not be considered in default of the contract no matter the circumstances.

Use of this contract does not preclude any participating entity from using other contracts or competitive processes as the need may be.

VI. STATEMENT OF NEEDS/SCOPE OF WORK:

- A. Discounts/Logistics: Deep discounts off list are expected. Except for special handling, prices should be inclusive of delivery (FOB Destination).
- B. Sales representation: Provide a plan for sales representation. We recognize that not all institution accounts will warrant full-time on-campus representation. Provide a narrative on how you propose to provide this service.
- C. Product Satisfaction: The Contractor should act as a customer advocate and coordinator for communications and is responsible for performance and problem resolution. Customer satisfaction will be a determining factor in measuring the Contractor's performance.
- D. Warranty: All products purchased under this contract will minimally include the Original Equipment Manufacturer's warranty which will pass directly to Virginia Tech. Products which fail after acceptance and installation will be covered under warranty. Products which are inoperative at installation will either be replaced by the Contractor or repaired under warranty. The decision to replace such products or accept warranty repair will be at the sole discretion of Virginia Tech, except in the event Virginia Tech fails to provide timely notice of product failure to the Contractor. The Contractor should provide contact information for requests for warranty services for all equipment sold under the contract. Any maintenance agreements available from the Contractor should be provided to Virginia Tech as an option and priced as discounted off list price.
- E. Sustainability: The Contractor is encouraged to address environmental concerns related to the purchase of recycled products, reductions of operating and maintenance costs, improved energy efficiencies, reduction of waste, use of 'green' products, and efforts to reduce consumption of energy, water, and materials.
- F. Minimum Order: There shall be no minimum order requirement.
- G. Quarterly Reporting Requirements
 - 1. Reporting Obligation
The awarded Contractor shall provide quarterly sales reports to VHEPC for the duration of the contract.

Reports are mandatory regardless of sales volume and must be submitted even if there were no purchases during the reporting period (in which case a "zero sales" report shall be submitted).

Reports shall be submitted electronically no later than thirty (30) calendar days following the end of each calendar quarter.

2. Reporting Format

All reports must be submitted using the VHEPC Unified Quarterly Reporting Template provided as an attachment to this RFP.

Contractors shall not modify the structure, column order, or formatting of the template. Alternative reporting formats will not be accepted.

The template includes:

- A “Quarterly Reporting” tab for VHEPC member purchases
- A “Non-Member Reporting” tab for purchases made by entities accessing the contract under the Publicly Accessible Contract (PAC) structure

3. Member Reporting Requirement

The “Quarterly Reporting” tab shall include item-level detail for all purchases made by VHEPC participating institutions during the reporting period.

Each transaction line shall include, at minimum:

- University
- PO Number
- Order Date
- Invoice Number
- Invoice Date
- Department
- Vendor SKU (if applicable)
- Product Category
- Item Description or Service Description
- Manufacturer Name (if applicable)
- Manufacturer Number (if applicable)
- Unit of Measure
- MSRP (if applicable)
- Contract Price
- Net Price
- Quantity (or Hours for services)
- Extended Volume (total invoiced amount)

Summary-only reporting is not acceptable.

4. Non-Member (PAC) Reporting Requirements

If the Contractor elects to permit third-party access under the Publicly Accessible Contract (PAC) structure, the Contractor shall also complete the “Non-Member Reporting” tab.

The Non-Member Report shall include all item-level transactions associated with non-VHEPC entities that accessed the contract during the reporting period.

The Non-Member Report shall serve as the basis for PAC Annual Fee calculation in accordance with the PAC Agreement.

If no non-member sales occurred, the Contractor shall indicate “No Sales” on the Non-Member Reporting tab.

5. Submission Method

Quarterly reports shall be submitted electronically to:

VHEPC Contract Administrator
Anu Mathew
amathew@virginia.edu

Reports must be submitted in Excel format and shall clearly identify in the title of the excel file:

- Vendor Name
- Contract Number
- Reporting Period (Quarter Ending)

6. Use of Reported Data

Reported data may be used by VHEPC for:

- Spend analysis and reporting
- Pricing consistency review
- Identification of cost savings opportunities
- Contract performance monitoring
- PAC Annual Fee verification

Reported data will be treated as confidential to the extent permitted by applicable law.

7. Failure to Comply

Failure to provide accurate and timely quarterly reporting may result in:

- Withholding of contract renewal or extension
- Suspension of third-party access privileges
- Audit review
- Termination for default in cases of repeated non-compliance

H. Publicly Accessible Contract (PAC) Requirement (see **ATTACHMENT C** for PAC Agreement)

1. Mandatory Execution of PAC Agreement

As a condition of award, all Offerors awarded a contract under this RFP shall execute the VHEPC Publicly Accessible Contract ("PAC") Agreement.

Execution of the PAC Agreement is mandatory and is not subject to post-award negotiation.

The PAC Agreement shall be incorporated by reference into the resulting contract.

2. Optional Third-Party Access

The PAC Agreement provides a mechanism through which eligible public entities that are not VHEPC participating institutions may elect to access the awarded contract.

Participation in third-party access is voluntary for the awarded Contractor.

An awarded Contractor may elect whether to permit third-party access under the PAC structure. Such election shall be documented at the time of contract execution or amended thereafter by mutual agreement.

No guarantee of third-party usage is made or implied.

3. PAC Annual Fee

If an awarded Contractor elects to permit third-party access and receives revenue from non-VHEPC entities under the PAC structure, the Contractor shall remit a Publicly Accessible Contract Annual Fee equal to one percent (1%) of revenue received from such non-VHEPC entities, in accordance with the PAC Agreement.

The PAC Annual Fee:

- Applies only to revenue received from non-VHEPC entities utilizing third-party access
- Does not apply to purchases made by VHEPC participating institutions
- Shall not be invoiced or passed through as a separate line item to participating institutions

Offerors shall incorporate any anticipated PAC-related costs into their proposed pricing.

4. Reporting and Reconciliation

Contractors electing to permit third-party access shall submit quarterly Non-Member (PAC) reports in accordance with the RFP Reporting Requirements section.

Reported data shall serve as the basis for PAC Annual Fee calculation.

VHEPC reserves the right to reconcile reported revenue against PAC fee remittance.

5. Future Open Enrollment Applicability

All firms awarded under future open enrollment generations of this RFP shall be subject to the same PAC execution requirement.

VII. PROPOSAL PREPARATION AND SUBMISSION:

A. Specific Requirements

Proposals should be as thorough and detailed as possible so that Virginia Tech may properly evaluate your capabilities to provide the required goods or services. Offerors are required to submit the following information/items as a complete proposal:

1. Provide a summary overview of the company, including qualifications and experiences, geographical operations, unique services provided to the higher education marketplace and any envisioned company changes including planned technological advances and acquisitions.

Leica Microsystems develops and manufactures microscopes and scientific instruments for the analysis of microstructures and nanostructures. Widely recognized for optical precision and innovative technology, the company is one of the market leaders in compound and stereo microscopy, digital microscopy, confocal laser scanning and super-resolution microscopy with related imaging systems, electron microscopy sample preparation, and surgical microscopy.

Founded as a family business in the nineteenth century, the company is now a global enterprise. Its leitmotif is “with the user, for the user”, put into words by Ernst Leitz I, the entrepreneur who led the business to world renown. A historically close collaboration with the scientific, medical, and industrial communities is the key to Leica Microsystems’ tradition of innovation. Drawing on users’ ideas and developing solutions tailored to meet their requirements,

the company continually sets new standards in markets it serves. This also applies to the services Leica Microsystems provides customers with: The Company offers expert technical services, but also application support for all application-related questions.

Users of Leica Microsystems' instruments and services can be found in both clinical and life science research, several surgical specializations, disciplines associated with material sciences, the manufacturing industry, and forensics services as well as in classrooms around the world. Instruments and workflow solutions for electron microscopy sample preparation for life sciences and industrial applications alike complete the company's product portfolio.

2. List all contact information for ordering, invoicing, customer service, etc.

Ordering Methods: Please send via e-mail to purchase.orders@leica-microsystems.com

Invoices: Please contact ap@leica-microsystems.com

Customer Service: Please call directly at 1-800-248-0123 Option 2

3. Describe delivery options and policies including special handling charges, installation and training if required for the items being offered. **All orders shall be FOB destination.** Include information regarding delivery costs and/or free delivery. Specify costs in Attachment B Pricing Schedule.

Leica Microsystems Inc. delivery method is FOB destination. Freight shipping is listed as a separate line item on every quotation. Pricing does not include freight charges as per Attachment B, but will be included on every quotation. Unfortunately, Leica cannot offer free shipping at this time.

4. Specify typical turnaround time for delivery (standard, rush, etc.) for the items being offered.

Delivery will vary depending on the product purchase as lead times are anywhere from 30-90 days. Lead times are printed on every quotation and are accurate as they are updated daily based on factory lead time.

5. Describe return policy (including replacement of defective, broken, or damaged items) and identify any associated costs. Any costs to be specified in **Attachment B Pricing Schedule**.

Returns. Leica will not accept any returns of goods unless it gives its prior written consent in the form of a Return Goods Authorization ("RGA"), which Leica may grant in its sole discretion. Contact your local Leica representative to request an RGA. A restocking fee of 20% may be charged for all goods returns. In the event Leica provides Customer with an RGA, such RGA will include an allocation of the return shipment costs as well

as instructions for completing same. Leica will inspect the goods for damage, signs of use, and/or missing parts, and notify Buyer of the amount of the refund (less restocking fee), which Leica may reasonably reduce on account of the inspection result. Unless Leica agrees otherwise on the RGA, returned goods must be in new condition and in the original packaging. Customer will be invoiced at Net 15 terms for all replacement products and credit will be issued upon receipt of returned goods to warehouse. Customized goods, software, third-party, or consumable goods or parts are not subject to return. Additionally, under no circumstances will Leica provide an RGA for any order accepted by Customer more than thirty days prior to making its RGA request.

6. Provide sample quote and invoice. Quotes shall include manufacturer list price and contracted discount price.

Please see below for example of quote and invoice.

Please note: This quote is based on the most recent international tariff rates. Tariff adjustment charges are calculated from components originating from different countries with varying tariff rates. These charges will affect the overall cost of the product and may fluctuate accordingly. The listed price is valid for products delivered during the period in which current tariff rates apply. Final invoice may be adjusted if tariff rates change. Tariffs are subject to taxation pursuant to applicable federal, state, and local laws, and the customer's tax status.

FINANCING OPTIONS:

LEICA MICROSYSTEMS NOW OFFERS FLEXIBLE CAPITAL AND OPERATING FINANCING OPTIONS AT COMPETITIVE RATES THAT CAN BE TAILORED TO YOUR SPECIFIC CASH FLOW NEEDS. PLEASE CONTACT CHRISTOPHER SCHMELZ (CHRISTOPHER.SCHMELZ@FINANCESVCS.COM | (585) 299-4370) TO LEARN MORE.

Unless a contract between the parties is referenced above, Leica’s “USA - Sales Terms and Conditions,” available at <https://www.leica-microsystems.com/company/sales-service-terms-and-conditions/>, exclusively apply to this order and any other terms and conditions are null and void.

By Wire: Bank-Bank of America Acct # 87652-15714 ABA # 026009593

7. Identify any other goods or services offered to Virginia Tech and associated costs as specified in **Attachment B Pricing Schedule**.

Leica offers a 1 year manufacturer warranty from date of delivery or installation at no cost. Please note, tariffs may be charged as a separate line item and will only be charged based on current government rulings.

8. Participation of SWaM Business:

If your business cannot be classified as SWaM, describe your plan for utilizing SWaM subcontractors if awarded a contract. Describe your ability to provide reporting on SWaM subcontracting spend when requested. If your firm or any business that you plan to subcontract with can be classified as SWaM, but has not been certified by the Virginia Department of Small Business and Supplier Diversity (SBSD), it is expected that the certification process will be initiated no later than the time of the award. If your firm is currently certified, you agree to maintain your certification for the life of the contract. For assistance with SWaM certification, visit the SBSD website at <http://www.sbsd.virginia.gov/>

Leica is considered a Large Business and is not currently utilizing SWaM subcontractors as the products required in this contract must have a certified Leica Microsystems Inc technician or else warranty will be voided.

9. The return of the Submission Instruction page and addenda, if any, signed and filled out as required.

D. General Requirements

1. RFP Response: In order to be considered for selection, Offerors shall submit a complete response to this RFP to include;

- a. **One (1) electronic document** in WORD format or searchable PDF of the entire proposal as one document, INCLUDING ALL ATTACHMENTS must be uploaded through the Virginia Tech online submission portal. Refer to page 2 for instructions.

Any proprietary information should be clearly marked in accordance with 2.d. below.

- b. Should the proposal contain **proprietary information**, provide **one (1) redacted electronic copy** of the proposal and attachments **with proprietary portions removed or blacked out**. This redacted copy should follow the same upload procedures as described on Page 1 of this RFP. This redacted copy should be clearly marked "*Redacted Copy*" within the name of the document. The classification of an entire proposal document, line item prices and/or total proposal prices as proprietary or trade secrets is not acceptable. Virginia Tech shall not be responsible for the Contractor's failure to exclude proprietary information from this redacted copy.

No other distribution of the proposals shall be made by the Offeror.

2. Proposal Preparation:

- a. Proposals shall be signed by an authorized representative of the Offeror. All information

requested should be submitted. Failure to submit all information requested may result in Virginia Tech requiring prompt submission of missing information and/or giving a lowered evaluation of the proposal. Proposals which are substantially incomplete or lack key information may be rejected by Virginia Tech at its discretion. Mandatory requirements are those required by law or regulation or are such that they cannot be waived and are not subject to negotiation.

- b. Proposals should be prepared simply and economically providing a straightforward, concise description of capabilities to satisfy the requirements of the RFP. Emphasis should be on completeness and clarity of content.
 - c. Proposals should be organized in the order in which the requirements are presented in the RFP. All pages of the proposal should be numbered. Each paragraph in the proposal should reference the paragraph number of the corresponding section of the RFP. It is also helpful to cite the paragraph number, subletter, and repeat the text of the requirement as it appears in the RFP. If a response covers more than one page, the paragraph number and subletter should be repeated at the top of the next page. The proposal should contain a table of contents which cross references the RFP requirements. Information which the offeror desires to present that does not fall within any of the requirements of the RFP should be inserted at an appropriate place or be attached at the end of the proposal and designated as additional material. Proposals that are not organized in this manner risk elimination from consideration if the evaluators are unable to find where the RFP requirements are specifically addressed.
 - d. Ownership of all data, material and documentation originated and prepared for Virginia Tech pursuant to the RFP shall belong exclusively to Virginia Tech and be subject to public inspection in accordance with the Virginia Freedom of Information Act. Trade secrets or proprietary information submitted by an Offeror shall not be subject to public disclosure under the Virginia Freedom of Information Act. However, to prevent disclosure the Offeror must invoke the protections of Section 2.2-4342F of the Code of Virginia, in writing, either before or at the time the data or other materials is submitted. The written request must specifically identify the data or other materials to be protected and state the reasons why protection is necessary. –The proprietary or trade secret material submitted must be identified by some distinct method such as highlighting or underlining and must indicate only the specific words, figures, or paragraphs that constitute trade secret or proprietary information. The classification of an entire proposal document, line item prices and/or total proposal prices as proprietary or trade secrets is not acceptable and may result in rejection of the proposal.
 3. Oral Presentation: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to Virginia Tech.—This will provide an opportunity for the Offeror to clarify or elaborate on the proposal but will in no way change the original proposal. Virginia Tech will schedule the time and location of these presentations. Oral presentations are an option of Virginia Tech and may not be conducted. Therefore, proposals should be complete.

VIII. SELECTION CRITERIA AND AWARD:

A. Selection Criteria

Proposals will be evaluated by Virginia Tech using the following:

<u>Criteria</u>	<u>Maximum Point Value</u>
1. Quality of products/services offered and suitability for the intended purposes	25
2. Qualifications and experiences of Offeror in providing the goods/services	25
3. Specific plans or methodology to be used to provide the Services	25
4. Cost (or Price)	15
5. Participation of SWaM Business	10
Total	100

B. Award

Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors included in the Request for Proposal, including price, if so stated in the Request for Proposal. Negotiations shall then be conducted with the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, Virginia Tech shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror. Virginia Tech may cancel this Request for Proposal or reject proposals at any time prior to an award. Should Virginia Tech determine in writing and in its sole discretion that only one offeror has made the best proposal, a contract may be negotiated and awarded to that offeror. The award document will be a contract incorporating by reference all the requirements, terms and conditions of this solicitation and the Contractor's proposal as negotiated.

Virginia Tech reserves the right to award multiple contracts as a result of this solicitation.

IX. INVOICES:

Invoices for goods or services provided under any contract resulting from this solicitation shall be submitted by email to vtinvoices@vt.edu or by mail to:

Virginia Polytechnic Institute and State University (Virginia Tech)
Accounts Payable
North End Center, Suite 3300
300 Turner Street NW
Blacksburg, Virginia 24061

X. METHOD OF PAYMENT:

Virginia Tech will authorize payment to the contractor as negotiated in any resulting contract from the aforementioned Request for Proposal.

Payment can be expedited through the use of the Wells One AP Control Payment System. Virginia Tech strongly encourages participation in this program. For more information on this program please refer to Virginia Tech's Procurement website: <http://www.procurement.vt.edu/vendor/wellsone.html> or contact the procurement officer identified in the RFP.

XI. ADDENDUM:

Any **ADDENDUM** issued for this solicitation may be accessed at <https://bids.scquest.com/apps/Router/PublicEvent?CustomerOrg=VATech>. Since a paper copy of the addendum will not be mailed to you, we encourage you to check the web site regularly.

XII. COMMUNICATIONS:

Communications regarding this solicitation shall be formal from the date of issue, until either a Contractor has been selected or the Procurement Department rejects all proposals. Formal communications will be directed to the procurement officer listed on this solicitation. Informal communications, including but not limited to request for information, comments or speculations regarding this solicitation to any University employee other than a Procurement Department representative may result in the offending Offeror's proposal being rejected.

XIII. CONTROLLING VERSION OF SOLICITATION:

The posted version of the solicitation and any addenda issued by Virginia Tech Procurement Services is the mandatory controlling version of the document. Any modification of/or additions to the solicitation by the Offeror shall not modify the official version of the solicitation issued by Virginia Tech Procurement Services. Such modifications or additions to the solicitation by the Offeror may be cause for rejection of the proposal; however, Virginia Tech reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a proposal.

XIV. TERMS AND CONDITIONS:

This solicitation and any resulting contract/purchase order shall be governed by the attached terms and conditions, see Attachment A.

XV. CONTRACT ADMINISTRATION:

- A. The individual user departments at Virginia Tech shall be identified as the Contract Administrators and shall use all powers under the contract to enforce its faithful performance.
- B. The Contract Administrators in each user departments shall determine the amount, quantity, acceptability, fitness of all aspects of the services and shall decide all other questions in connection with the services. Contract Administrators, or designees, shall not have authority to approve changes in the services which alter the concept or which call for an extension of time for this contract. Any modifications made must be authorized by the Virginia Tech Procurement Department through a written amendment to the contract.
- C. Levi Henry, Senior Contracting Officer, Procurement, shall oversee the contract in its entirety and will serve as the point of contact for issues involving this contract.

ATTACHMENT A

TERMS AND CONDITIONS

RFP GENERAL TERMS AND CONDITIONS

See:

https://www.procurement.vt.edu/content/dam/procurement_vt_edu/docs/terms/GTC_RFP_02182022.pdf

ADDITIONAL TERMS AND CONDITIONS.

1. **ADDITIONAL GOODS AND SERVICES:** The University may acquire other goods or services that the supplier provides other than those specifically solicited. The University reserves the right, subject to mutual agreement, for the Contractor to provide additional goods and/or services under the same pricing, terms and conditions and to make modifications or enhancements to the existing goods and services. Such additional goods and services may include other products, components, accessories, subsystems, or related services newly introduced during the term of the Agreement.
2. **AUDIT:** The Contractor hereby agrees to retain all books, records, and other documents relative to this contract for five (5) years after final payment, or until audited by the Commonwealth of Virginia, whichever is sooner. Virginia Tech, its authorized agents, and/or the State auditors shall have full access and the right to examine any of said materials during said period.
3. **AVAILABILITY OF FUNDS:** It is understood and agreed between the parties herein that Virginia Tech shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.
4. **CANCELLATION OF CONTRACT:** Virginia Tech reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the Contractor. In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the Contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.
5. **CONTRACT DOCUMENTS:** The contract entered into by the parties shall consist of the Request for Proposal including all modifications thereof, the proposal submitted by the Contractor, the written results of negotiations, the Commonwealth Standard Contract Form, all of which shall be referred to collectively as the Contract Documents.
6. **IDENTIFICATION OF PROPOSAL:** Virginia Tech will only be accepting electronic submission of proposals. All submissions must be submitted to the Virginia Tech online submission portal. Upon completion you will be directed to your Submission Receipt. Virginia Tech will not confirm receipt of proposals. It is the responsibility of the offeror to make sure their proposal is delivered on time. **Attachments must be smaller than 50MB in order to be received by the University.** Proposals may **NOT** be hand delivered to the Procurement Office.
7. **NOTICES:** Any notices to be given by either party to the other pursuant to any contract resulting from this solicitation shall be in writing via email.
8. **SEVERAL LIABILITY:** Virginia Tech will be severally liable to the extent of its purchases made against any contract resulting from this solicitation. Applicable entities described herein will be severally liable to the extent of their purchases made against any contract resulting from this solicitation.

- 9. CLOUD OR WEB HOSTED SOFTWARE SOLUTIONS:** For agreements involving Cloud-based Web-hosted software/applications refer to link for additional terms and conditions: https://www.procurement.vt.edu/content/dam/procurement_vt_edu/itprocurement/Data_Security_FER_PA_Addendum_2024.docx.
- 10. ADVERTISING:** In the event a contract is awarded for supplies, equipment, or services resulting from this solicitation, no indication of such sales or services to Virginia Tech will be used in product literature or advertising. The contractor shall not state in any of the advertising or product literature that the Commonwealth of Virginia or any agency or institution of the Commonwealth has purchased or uses its products or services.
- 11. ELECTRICAL INSTALLATION:** All equipment/material shall conform to the latest issue of all applicable standards as established by National Electrical Manufacturer's Association (NEMA), American National Standards Institute (ANSI), and Underwriters' Laboratories, Incorporated (UL) or other Nationally Recognized Testing Laboratories (NRTL) currently listed with the US Department of Labor. All equipment and material, for which there are NEMA, ANSI, UL or other NRTL standards and listings, shall bear the appropriate label of approval for use intended.
- 12. INSURANCE**
 By signing and submitting a Proposal/Bid under this solicitation, the offeror/bidder certifies that if awarded the contract, it will have the following insurance coverages at the time the work commences. Additionally, it will maintain these during the entire term of the contract and that all insurance coverages will be provided by insurance companies authorized to sell insurance in Virginia by the Virginia State Corporation Commission.
 During the period of the contract, Virginia Tech reserves the right to require the contractor to furnish certificates of insurance for the coverage required.
INSURANCE COVERAGES AND LIMITS REQUIRED:
 A. Worker's Compensation - Statutory requirements and benefits.
 B. Employers Liability - \$100,000.00
 C. General Liability - \$2,000,000.00 combined single limit. Virginia Tech and the Commonwealth of Virginia shall be named as an additional insured with respect to goods/services being procured. This coverage is to include Premises/Operations Liability, Products and Completed Operations Coverage, Independent Contractor's Liability, Owner's and Contractor's Protective Liability and Personal Injury Liability.
 D. Automobile Liability - \$500,000.00
 E. The contractor agrees to be responsible for, indemnify, defend and hold harmless Virginia Tech, its officers, agents and employees from the payment of all sums of money by reason of any claim against them arising out of any and all occurrences resulting in bodily or mental injury or property damage that may happen to occur in connection with and during the performance of the contract, including but not limited to claims under the Worker's Compensation Act. The contractor agrees that it will, at all times, after the completion of the work, be responsible for, indemnify, defend and hold harmless Virginia Tech, its officers, agents and employees from all liabilities resulting from bodily or mental injury or property damage directly or indirectly arising out of the performance or nonperformance of the contract
- 13. LABELING OF HAZARDOUS SUBSTANCES:** If the items or products requested by this solicitation are "Hazardous Substances" as defined by the # 3.1-250 of the Code of Virginia (1950), as amended, or # 1261 of Title 15 of the United States Code, then the offeror/bidder, by submitting its Proposal/Bid, certifies and warrants that the items or products to be delivered under this contract shall be properly labeled as required by the foregoing sections and that by delivering the items or products the offeror/bidder does not violate any of the prohibitions of # 3.1-252 of the Code of Virginia or Title 15 U.S.C. # 1263.

- 14. LICENSE TO USE VIRGINIA TECH LICENSED INDICIA:** By signing and submitting this Proposal/Bid, the offeror/bidder agrees that if it is awarded a purchase order/contract as a result of this solicitation, it will follow the procedures outlined by Virginia Tech's Licensing and Trademarks Administration to become a licensed vendor authorized to use Virginia Tech licensed trademarks indicia identified in the solicitation and to follow all procedures for submitting artwork for product for approval prior to producing any product with Virginia Tech indicia. As a licensed vendor, the offeror/bidder will be required to pay the university's standard royalty rate for similarly licensed vendors. *More information on the licensing process and application can be found at: <http://clc.com/Licensing-Info.aspx>.*
- 15. ORDERS:** Applicable departments, institutions, agencies and Public Bodies of the Commonwealth of Virginia may order by issuing a purchase order against any contract resulting from this solicitation.
- 16. PRICE ESCALATION/DEESCALATION:** Price adjustments for changes in the contractor's price of materials, labor and transportation may be permitted. Request for price adjustments for any other reasons will not be granted. No price increases will be authorized for 365 calendar days after the effective date of the contract. Contractor shall give not less than 30 days advance notice prior to the annual renewal of the contract of any desired price increase.

The Contractor shall document the amount and proposed effective date of any general change in the price of materials, labor and transportation. Documentation shall be supplied with the contractor's request for increase which will (1) verify that the requested price increase is general in scope and not applicable just to Virginia Tech, and (2) verify the amount or percentage of increase which is being passed on to the contractor by the contractor's suppliers. Failure by the contractor to supply the aforementioned verification with the request for price increase will result in a delay of the effective date of such increase. The Virginia Tech Procurement Department may verify such change in price independently. The Virginia Tech Procurement Department may make such verification as it deems adequate. However, any increase which the Virginia Tech Procurement Department determines is excessive, regardless of any documentation supplied by the contractor, may be cause for cancellation of the contract by the Virginia Tech Procurement Department. The Virginia Tech Procurement Department will notify the contractor in writing of the effective date of any increase which is approved. However, the contractor shall fill all purchase orders received prior to the effective date of the price adjustments of the old contract prices.

"Across the Board" price decreases are subject to implementation at any time and shall be immediately conveyed to Virginia Tech. The contractor is further advised that price decreases which affect the price of materials, labor, and transportation are required to be passed on to Virginia Tech immediately. Failure to do so will result in action to recoup such amounts.

- 17. SPECIAL OR PROMOTIONAL DISCOUNTS:** The Contractor shall extend any special promotional sale prices or discounts immediately to Virginia Tech during the term of the contract. Such notice shall also advise the duration of the specific sale or discount price.
- 18. SIDEWALK POLICY:** Driving on sidewalks is allowed when there is no other way to get a needed vehicle to a designated place or building on campus. The vehicle operator shall be made aware that extreme caution shall be used to operate the vehicle in a way that will not be a hazard or hindrance to pedestrians using the walk. The contractor shall be responsible for any damage to turf and anything that is located adjacent to the walk. Parking an unattended vehicle on a sidewalk is strictly prohibited by State Law. The contractor is allowed to park a vehicle on a sidewalk if there is no other way to perform necessary work. The procedure to obtain a permit to operate a vehicle on sidewalks is the same as for the turf as outlined in Turf Policy. Any vehicle parked illegally on sidewalks shall be subject to ticketing, fines and towing if necessary.
- 19. TURF POLICY:** Parking or driving on campus turf or sidewalk is strictly prohibited, except as specifically directed or otherwise allowed by the Physical Plant Grounds Department. In this case, a

turf permit must be obtained from Virginia Tech Parking Services and displayed by the vehicle. Turf parking is not allowed under the canopy of any tree on campus. Any vehicle parked illegally on turf or sidewalks shall be subject to ticketing and fines.

20. WARRANTY (COMMERCIAL): The contractor agrees that the supplies or services furnished under any award resulting from this solicitation shall be covered by the most favorable commercial warranties the contractor gives any customer for such supplies or services and that the rights and remedies provided therein are in addition to and do not limit those available to Virginia Tech by any other clause of this solicitation.

Attachment B

Pricing Schedule

The offeror shall provide pricing using the template below as applicable. The pricing schedule should include percentage off list price for specific manufacturer/product lines and/or categories. The “volume tier” section is intended to allow the offeror to provide volume-based incentives if applicable.

Equipment Category	Manufacturer	Model	Material #	List Price	Discount %	Net Price	Installation Cost	AVG Lead Time (Days)	Volume Tier (if applicable)
Stereo Microscope	Leica Microsystems Inc.	Stage micrometer	10310345	\$ 333.00	4%	\$ 319.68		30	N/A

Attachment C
AGREEMENT
PUBLICLY ACCESSIBLE CONTRACT

This Agreement executed this [Date] day of [Month, Year] by and between [VASCUPP MEMBER NAME], (“the University”) and [Supplier NAME] (“Supplier”).

TERM

The term of this Publicly Accessible Contract (“PAC”) shall remain in effect until the expiration or termination of the Primary Agreement.

WITNESS

WHEREAS, the University and Supplier have executed an agreement, [CONTRACT NUMBER], dated [CONTRACT DATE] (the “Primary Agreement”), and included in the Primary Agreement is a third party access / cooperative procurement clause. Now therefore, the University and Supplier agree to the specific terms that will allow third-party access to the Primary Agreement, and based on other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

- I. Supplier will:
 - A. Allow third parties to obtain goods and services from Supplier in accordance with the terms and pricing of the Primary Agreement (“Third-Party Access”).
 - B. Pay the Virginia Higher Education Procurement Consortium (“Consortium”) one percent (1%) of all revenue received by Supplier from non-Consortium entities through Third-Party Access (the “PAC Annual Fee”). The PAC Annual Fee will be paid in exchange for marketing services provided by the University and the Consortium described in Section II.
 - C. Fully support this marketing relationship by promoting the availability of the Third Party Access to non-Consortium entities; and
 - D. Provide quarterly reports detailing the amount of revenue received from non-Consortium entities through Third-Party Access.
- II. The University will ensure the Consortium:
 - A. Promotes the Primary Agreement and Third-Party Access on its website and through other channels (e.g., conferences) to non-Consortium members; and
 - B. Maintains a Supplier-approved version of the Supplier’s logo on the Consortium website.
- III. Payment
 - A. Supplier shall remit the PAC Annual Fee to the Consortium no later than August 31st of each year. The University and Consortium will share the payments equally and allocate payments to the appropriate accounts.

If the Primary Agreement expires or terminates before August 31st, Supplier shall remit the PAC Annual Fee no later than 45 calendar days from expiration or termination date of the Primary Agreement.

- B. Supplier shall remit the PAC Annual Fee by check in U.S. dollars. Checks will be made payable to the University of Virginia and sent to:

Procurement Office Manager
Procurement and Supplier Diversity Services
University of Virginia, Carruthers Hall
PO Box 400202
1001 N. Emmet Street
Charlottesville, VA 22904

Note 'PAC payment' on check.

IV. Notices

Any notice required or permitted to be given under this Agreement will be in writing and will be deemed duly given: (1) if delivered personally, when received; (2) if sent by recognized overnight courier service, on the date of the receipt provided by such courier service; (3) if sent by registered mail, postage prepaid, return receipt requested, on the date shown on the signed receipt; or (4) if sent by electronic mail, on the next business day of the receiver. All such notices will be addressed to a party at such party's address as shown below.

If to the University:

Negotiation Questions

1. **Virginia Tech question:** Cost to the University is a major component of this solicitation and one of the 5 factors considered during the award process. Please submit your best and final pricing/discount structure for consideration.

Response: [Leica has submitted its best and final offer per the excel attachment that is included.](#)

2. **Virginia Tech question:** Are the prices provided with your proposal as favorable (or more favorable) as pricing provided to other Higher Educational Institutions?

Response: [The current discount structure aligns as favorable as other Higher Educational Institutions.](#)

3. **Virginia Tech question:** Do you agree to provide invoices with payment due thirty (30) days after receipt of invoice or goods/services, whichever is later?

Response: [Yes.](#)

4. **Virginia Tech question:** If awarded a contract, do you agree to limit price increases to no more than the increase in the Consumer Price Index, CPI-W for the latest twelve (12) months for which statistics are available at the time of renewal or 3 percent, whichever is less?

Response: [Yes, Leica can agree to this statement.](#)

5. **Virginia Tech question:** If awarded a contract, are you willing to hold prices firm for the initial contract period and the first renewal term?

Response: [Yes.](#)

6. **Virginia Tech question:** Are you registered with and willing to participate in the eVA internet procurement solution described in the terms and conditions of the RFP?

Response: [Leica is willing to try this process, however, if this process becomes too difficult or time consuming than both parties shall agree to an alternative solution.](#)

7. **Virginia Tech question:** Are the prices for all goods/services listed in your proposal inclusive of all applicable [eVA system transaction fees](#)?

Response: [Yes.](#)

8. **Virginia Tech question:** Are you willing to provide a report at the end of each Virginia Tech Fiscal Year detailing the money saved by the University by utilizing this contract? Virginia Tech's Fiscal Year ends June 30th of each year.

Response: [Yes.](#)

9. **Virginia Tech question:** Do you agree that the initial contract period shall be two years?

Response: Yes.

10. **Virginia Tech question:** Upon completion of the initial contract period, do you agree that the contract may be renewed by Virginia Tech upon written agreement of both parties for four (4) two-year periods, under the terms of the current contract?

Response: Yes.

11. **Virginia Tech question:** Prior to renewal do you agree to reevaluate pricing to be sure Virginia Tech is receiving the best possible discount or rate structure you can provide?

Response: Yes.

12. **Virginia Tech question:** Do you agree that you will be performing services as an Independent Contractor, Company, Corporation or other business entity and are not an employee of Virginia Tech or any other Commonwealth Entity?

Response: Yes.

13. **Virginia Tech question:** Do you further agree that Virginia Tech will not withhold any income taxes from its payments to contractors nor will it provide any employment benefits to the contractor or contractor's employees?

Response: Yes.

14. **Virginia Tech question:** Please describe your turn-around time if emergency services are needed.

Response: Once customer contacts Leica's the help desk at 1 800 248 0123 Option 2,3,2 - Leica's goal is to contact the customer in under 48 hours, and an FE to be on site in 3 to 4 days.

15. **Virginia Tech question:** How soon after contract award can you begin providing services?

Response: Immediately.

16. **Virginia Tech question:** Do you acknowledge, agree and understand that your contract is not exclusive, and that Virginia Tech cannot guarantee a minimum amount of business if a contract is awarded to your company?

Response: Yes. Leica understands.

17. **Virginia Tech question:** Does the vendor acknowledge, agree, and understand that the terms and conditions of the RFP # 952642606 shall govern the contract if a contract is awarded to your company?

Response: Leica agrees that once a contract is negotiated between both parties, those terms from RFP # 952642606 shall govern.

18. **Virginia Tech question:** If applicable, do you agree to become a certified SWaM vendor with the Virginia Department of Small Business and Supplier Diversity and maintain that certification throughout the term of this contract?

Response: Leica Microsystems is considered a Large Business in which our products are unique and can only be installed by a Leica Certified Technician. Thus, this is not applicable.

19. **Virginia Tech question:** Please submit a W-9 on the current IRS Form Revision, and a copy of your Certificate of Insurance that meets the requirements of the solicitation.

Response: Leica had included aW9 and COI as requested. Should you need additional information, please do not hesitate let us know.
